

Here are series of short written statements. Each statement is something that one person might say to another person. As you read each statement, your job will be to rate how you think someone would feel if that statement were said to them. Please use the scale provided to indicate which emotion you think someone would be likely to feel. Be as honest as possible, but rely on your initial feeling and do not think too much about each item.

Use the following scale:

1 - - - - - **2** - - - - - **3** - - - - - **4** - - - - - **5**
Anger **Disgust** **Fear** **Happiness** **Sadness**
